STRONGER BONDS

At the Y, we understand the value of time spent between father and child. We also believe in helping foster opportunities for Dads and kids to learn to communicate in ways that are respectful, responsible, honest, and caring.

No gift you give your child means as much as the time you spend with him or her, and those moments will be the times that you treasure the most too.

The Y-Guides & Y-Princesses are purposefully designed to accompany the father and child on a journey of fun and discovery. Through monthly meetings composed of games, arts and crafts, stories and service projects, Dads and kids get to learn and grow together, and Dads get the chance to share wisdom and lessons that will last a lifetime and impact their kids for years to come.

MAKING MEMORIES YGUIDES AND YPRINCESSES

Father & daughter pairs join the Y-Princesses, while father & son pairs participate in the Y-Guides. Both programs are available to families with children from kindergarten to third grade, the ideal age to establish a solid foundation for a life-long relationship. Each father and child pair is placed into a "Tribe" with other pairs. We try to organize "Tribes" into geographic areas, making it easier for you to focus on interactions that count, not logistics like travelling and meeting times. You can even organize your own group of your child's classmates.

All of our Tribes come together once a month to form the Tarfoot Nation. For these gatherings, we will arrange for outings outside the home, like marching in holiday parades, the Y-Guides' fishing and street hockey tournament, hiking, the Y-Princesses' Valentine's Dance, cookouts, and fall and spring overnight trips at Y-camps. These outings are the "big events" that are designed to create lifetime memories between father and child.

THE ADVENTURE CONTINUES TRAILBLAZERS

Just because the kids grow up doesn't mean you have to stop having fun together. It just means that the fun gets more exciting. In fact, we know that it can get even harder to connect with your kids as they get older. And we know that the time you get with your kids is still just as important as ever. After the third grade, members of the Tarfoot Nation graduate into the Trailblazers. We've developed more exciting events designed to challenge and entertain dads and kids and help build confidence and expose both of you to new experiences together in ways that continue to create great memories. This program is available for children in the fourth grade through high school.
