## Swim Lessons Guidelines:

1. To prevent children from being distracted, we encourage parents to observe swim lessons from the upstairs observation gallery at the Chapel Hill branch. (Parents may watch the first and last class of each session on deck.)
2. Make-ups for swim lessons missed due to illness, inclement weather, or pool closings will not be rescheduled.
3. Due to limited enrollment, refunds or credits will NOT be given if a child refuses to enter the water during his/her class.
4. Wait lists are maintained on classes that are full. If a space becomes available the YMCA will contact you via email. If you are contacted regarding a space please respond within 24 hours as others may be contacted and you may lose your space.
5. If your child has not been registered for a swim lesson, place them on only ONE wait list, for the time/session/level that suites you best.
6. Classes may be combined or cancelled if minimum participations are not met in each class.
7. We reserve the right to place children in the level that best fits with their abilities regardless of class registration.
8. Goggles during swim lessons are discouraged. Children need to be able to swim without goggles as is required by our Deep End Swim Test Procedure. Children 12 and under must perform this "test" to be permitted to swim in deep water.

## Financial Assistance Program

At the Chapel Hill-Carrboro YMCA, no one is turned away due to inability to pay program rates. We provide financial assistance for programs and memberships to families and individuals in need. Ask for the financial assistance application (Open Doors program) at our member services desk. You must bring your approval letter with you to registration.

Credits & Refunds Policy: Refunds or credits must be applied for in writing by filling out a cancellation form, which is available at the member services desk. This form MUST be submitted at least TWO WEEKS before the first day of class. Refunds, credits, and transfer requests are NOT guaranteed. Refunds are minus a \$25 processing fee PER cancellation. Credits are for the full amount and may be applied towards another YMCA program.

**IMPORTANT:** Children under the age of 12 are NOT allowed to be in the YMCA building without a parent or guardian present. Children should never be dropped at the YMCA for swim lessons. Parents should always enter the building escorting their children to lessons. Children MUST be picked up on the pool deck by a parent. Children should be not sent to or left in locker rooms without adult supervision. Children over the age of 3 must use the appropriate sex locker room. Single unit family locker rooms are available.

Deep End (Penguin Band) Swim Test Procedure: Must be able to tread water for 30 seconds. Must be able to jump into deep water and swim 25yds with face in water with good forward moving kick and rotary arm movement (breast stroke is acceptable). Designated Swim Area: whole pool. This test is administered by the lifeguard.

I have read and understand the policies above. I have maintained a copy of the schedule for my information.
